There is always something to do in a garden. Community Gardening is great exercise, a way to connect with neighbors and a way to create a healthier community. This event is being coordinated by Leadership Mendocino Class XVI.

For more information go to [www.gardensproject.org](http://www.gardensproject.org) or Cyril Colonius at 621-1259.

Many hands make light work. Your help will get these gardens off to a great start!

Thanks
